Congregational Church Accepts $35,000 Offer by City for Building

An offer of $35,000 by the City of Campbell for the purchase of the Campbell Congregational Church building and site at 49 North Central avenue, conditional to the passage of a bond election in October, was accepted Sunday by the Church Board of Trustees.

In the meantime the church is arranging its financing so as to start construction in sixty days of the new church building on the three and a half acre site at Campbell avenue and Carlyn avenue. It is to be built around a large quadrangle with a grassy, landscaped mall in the center for recreational activities. The front of the quadrangle will contain the Sanctuary to seat 324 persons in the Nave and expandible in the transeps for 450 capacity.

There will be carillon tower, church offices, committee rooms, kitchen and Fellowship Hall. Units are to be connected with walkways and space will be provided for several hundred parked cars.

Is Roosevelt Tree Doomed?

CITY AGREES TO SPRAY APHID INFESTED TREES

Trees, held the attention of the City Council at the meeting Monday evening, as a decision was reached to spray those on curb lines that are dripping on walkways and parked cars, and a far-reaching study started on whether the T. R. Roosevelt tree planted in 1907 at Winchester Road and Campbell Avenue by the President of the United States might have to be cut down when work starts on widening of Winchester Road.

Street Superintendent LeRoy Black said he had examined about 150 diseased trees and said that two sprays would probably be needed to check the dripping. He estimated that from $250 to $300 would cover the cost but warned that aphids may move over from private properties unless home owners also spray trees. A delegation from Second Street reported tnat the men who had done work for them used but one spray with satisfaction but Black indicated this spray material is likely illegal within the city limits, and pointed to the experience at Santa Clara where the spray program gets continually bigger. Council directed Black to prepare a detailed report and cost estimate for the next meeting.

A letter to the Council concerning the Roosevelt tree was that it was dying for lack of nourishment from being sealed in with paving. Mayor Morton asked Planning Consultant if the tree was within the plan lines for widening of Winchester Road and was advised it was on private property and just outside the proposed curb line which might make it a traffic hazard.

The Council also directed City Attorney Joseph Bonacina to request payment from the county of the city share of tax collected funds on lands annexed by Campbell since incorporation in March, 1952, and subsequently excluded from County Central Fire District. Mayor Morton and Councilman John Chargin indicated the city is entitled to this money under state law and by virtue of a ruling in a Santa Clara County Superior Court in which City of Campbell was the plaintiff. Fifteen annexations have been made by the city. No amount was determined, but Bonacina is to check into this and report to the council.

Gifford Sobey of Los Gatos applied by letter to do architectural services for the City of Campbell.

Bonacina is to confer with a San Francisco bond firm, Orrick, Dahlquist and Co. relative to a $75,000 bond issue before voters for a city hall and a fire station.

A 90-day extension in which to file final map was given a Latimer avenue subdivider if he deposit $160 per lot or $725 per acre, which ever is the greater, for storm sewers installed by the subdivider, the subdivider to be credited for installing any in-tract storm drainage.

Council continued hearing on application of Kelly Brothers to move a house from Stevens Creek Road to Sunnyoaks.

A petition from property owners on Harrison avenue south of Hamilton that the street be dedicated to Campbell, was filed.

Police Chief Robert Locke was asked to submit names of parties to be considered for appointment to the Santa Clara Safety Council.

Council approved proposal of Robert Thompson, young professor at San Jose State College to make a job-work analysis and municipal survey, without cost, in Campbell. Attorney Bonacina is to report on propriety in investing some cash reserve in government bonds.

A resolution was adopted for Excelsion subdivision. Mark Thomas, city engineer said that because of the interchange at Hamilton avenue in connection with Route 5 Freeway, about 800 feet of sanitary sewer line will have to be relocated.. Thomas submitted an agreement that he be engaged on contract basis rather than per diem on the Hamilton avenue job, which Council agreed to and referred to city attorney. Thomas also had three electrolier standards, or equal, for choice by subdividers to follow a uniform pattern.

Chief Locke said a law enforcing coordinating council is being set up under Sheriff Hawley so that pool will be available in the event of an emergency.

Street Supt. Black was authorized to get proposals for a three-quarter ton truck to replace one now in service.

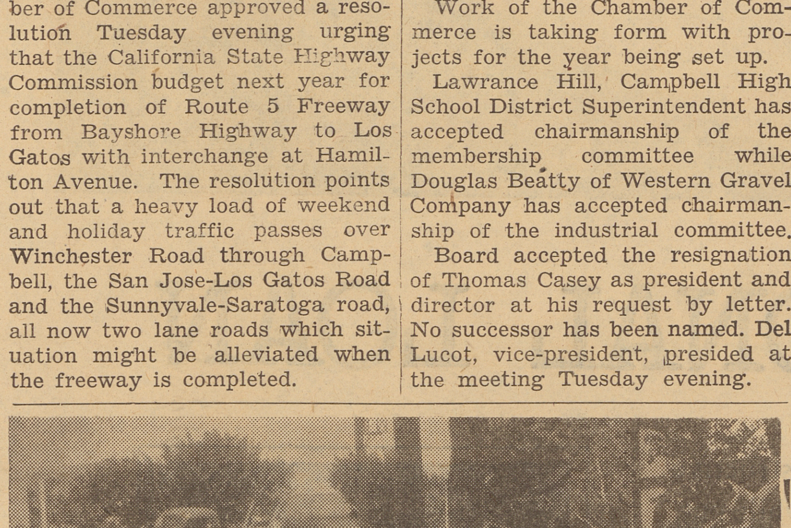
LAURANCE J. HILL IS MEMBERSHIP CHAIRMAN CHAMBER OF COMMERCE

Directors of the Campbell Chamber of Commerce approved a resolution Tuesday evening urging that the California State Highway Commission budget next year for completion of Route 5 Freeway from Bayshore Highway to Los Gatos with interchange at Hamilton Avenue. The resolution points out that a heavy load of weekend and holiday traffic passes over Winchester Road through Campbell, the San Jose-Los Gatos Road and the Sunnyvale-Saratoga road, all now two lane roads which situation might be alleviated when the freeway is completed.

Work of the Chamber of Commerce is taking form with projects for the year being set up.

Lawrance Hill, Campbell High School District Superintendent has accepted chairmanship of the membership committee while Douglas Beatty of Western Gravel Company has accepted chairmanship of the industrial committee.

Board accepted the resignation of Thomas Casey as president and director at his request by letter. No successor has been named. Del Lucot, vice-president, presided at the meeting Tuesday evening.



A ditchdigger at El Solyo and Los Gatos- San Jose Road hit a 15-inch water main Tuesday afternoon starting this gusher of water as the digger nosed deeper into the hole, all to the joy of dozens of neighborhood children who suddenly found a swim pool formed on El Solyo to Peter Drive.

CITY JOINS MOVE FOR COMPLETION ROUTE 5 FREEWAY

City of Campbell approved a resolution Monday seeking that the State set up funds in the 1956-57 budget for completion of Route 5 freeway from Bayshore Highway to Los Gatos, so that work can be started in 1957-58 fiscal year. Mayor Richard Morton, Councilman John Chargin and Planning Consultant Nestor Barrett expect to attend the meeting at Sacramento at 11:15 a. m. August 18 along with representatives of other civic organizations in Santa Clara County.

It was pointed out at the meeting that Hamilton avenue work will have been started by that time and will be in keeping with contract agreement with the State.

The resolution points out that because of the unprecedented growth of entire bay area and increased flow of traffic on all arterials, any delay would be an inconvenience and a hazard; that large weekend and holiday traffic to and from San Francisco and East Bay area, northern San Joaquin valley and south Sacramento valley funnels through Winchester Road, San Jose-Los Gatos Road and Cupertin-Saratoga road, all two lanes, and most of this extreme congestion develops because the proposed Route 5 Freeway has not been completed, therefore causing overloading of city streets, county roads and state highways.

The freeway would have a major interchange overhead at Hamilton Avenue and would pass under Campbell avenue.

Rotary Slates A Barbecue For Next Tuesday

The Campbell Rotary Club has scheduled a barbecue for next Tuesday at LaRinconada Country Club instead of its regular Monday noontime meeting. There will be golfing and swimming from 12:30 p. m. through the afternoon, with a barbecue dinner served at 6:30 p. m.

At last Monday's luncheon meeting, Bob Bronzan, San Jose State football coach, told club members that he believes State will have a good team this Fall and that in the Pacific Coast Conference U. C. L. A. is the team to beat. Touching on the subject of pro-football, Bronzan said the Los Angeles Rams and Chicago Bears use I. B. M. cards to chart opponents activities throughout the seasons and are able to predict with a fair degree of accuracy what each man will do during a game.

An announcement was made of the Lions' Baseball game which is to be played tonight, Thursday, in the Little League Stadium at 6:30 p. m., and of the Kiwanis game which was played last Tuesday evening.

DEATH BRINGS END TO VISIT

Mr. and Mrs. Stanley Sokolowski of McDole Avenue, returned home Saturday from Webster, Massachusetts, where they accompanied the body of Mr. Sokolowski's father for burial. The father, Mr. Anthony Sokolowski, recently came from the east to visit his son and daughter-in-law and had only been here one week when he suddenly dropped dead, the victim of a heart attack. He was 66 years of age.

FRAMEWORK IS UP ON SHOP CENTER

Steel girders and frame work were up yesterday for the super market, first unit of the two million dollar shopping center at the northwest corner of Winchester Road and Latimer Avenue. Romani Bros. Construction firm said it will be finished about November 1. This will be the 14th store for Lee Bros. and is a part of the 13 acre shopping center site.

Earl Stewart of Campbell recently purchased a parcel, 150 feet square, to be used for a service station. He will develop it for Shell Oil Co.

Four acres on the west side of the center have been sold to Alexander Poniatoff of San Carlos. He plans to develop multiple dwellings, possibly as many as 19 units.

Rest of the site will be in shoppinig. Architect Hollis Logue Jr. now is winding up plans for 15 stores.

Developers of the center, who made the sale of the strip to Romani Bros., are J. Frank Barrett of San Francisco, Harry E. Goss of Menlo Park, Ira J. Dunlap of San Carlos and Frank Bartlett and D. A. Rayboud of San Mateo. They also are behind the Crossroads Shopping Center now rising in Los Gatos.

Joseph McKiernan of Clayton and Co. of San Jose represents the developers.

CERTIFICATE OF CITY COUNCIL
WE HEREBY CERTIFY THAT THE CITY OF CAMPBELL, CALIFORNIA, DID ON THE 22ND DAY OF NOVEMBER, 1954, ADOPT THIS MASTER PLAN OF STREETS AND HIGHWAYS FOR THE CITY OF CAMPBELL, COUNTY OF SANTA CLARA, STATE OF CALIFORNIA, AS A PART OF RESOLUTION NO. 157 OF SAID CITY COUNCIL PURSUANT TO THE TITLE 7 OF THE GOVERNMENT CODE OF CALIFORNIA.
SECRETARY
CHAIRMAN
CITY CLERK
MAYOR

Here is the master plan for streets and highways for the City of Campbell as set up and approved by the Planning Commission and the City Council. The heavy broken lines show how certain roads are to be projected while solid heavy lines show existing roads and what their widths are dedicated to be. Leigh ovenue is to be 90 feet wide, the San Jose-Los Gatos Road 120 feet, Route 5 Freeway 240 feet, Campbell avenue 80 feet, Hamilton Avenue 120 feet, Winchester Road 90 feet, San Tomas Aquina Road 90 feet and San Tomas Boulevard 120 to 150 feet. Note the way Hamilton avenue is extended westward to the Campbell avenue and Saratoga avenue intersections and how Leigh avenue hurdles Dry Creek Road and continues over Camden avenue.

SCHOOL DISTRICT NEGOTIATING FOR NORTHEAST SITE

Work has been started on an office and shop for the new corporation yard of the Campbell Elementary School District, C. E. Bradley, business administrator, said today. The yard is located behind the Hamilton School and when finished will be headquarters for the maintenance crew and their equipment.

Bradley also said he is negotiating this week for a new school site in the northeast section of the school district and hopes to find agreeable terms. Another job under way is a transportation survey of the district.

The Board of Trustees will meet tonight, August 4, and is scheduled to view an architect's preliminary drawings of a shop and classroom wing for the new Monroe School which is to be opened in September. The district was granted permission for the new additions by the State Allocation Board last June.

Friday, August 5, bids will be opened for a total of 70,000 square feet of paving for the grounds of the Dover, Hamilton, Quito and Moorpark Schools.

DOLLAR TAX RATE FOR HIGH SCHOOL

A tax rate of $1 for operational and maintenance costs for Campbell Union High School was set Tuesday afternoon by the Board of Trustees following approval of the budget of the fiscal year ending June 30, 1956. A 3c recreation tax remained the same as last year.

Representative of the Santa Clara County Taxpayers Association at the meeting commented that the budget was very conservative and well set up.

The district is to purchase four new driver education cars and one 79-passenger bus, the latter to replace a bus being retired. The 14 district buses will operate from both Campbell and Camden high schools but are to be dispatched from the Central office on Winchester Road. Bids for the education cars are to be opened August 12.

Estimated income in the budget is $1,121,196.34 of which sum $514,220.88 would be from district taxes, $485,546 from federal and state apportionments and $103,234 from other income.

Instruction cost is to be $692,850 as compared with $542,006 last year.

Issue Permits For Twenty New Homes

Building permits were issued this week to Harmony Homes for a $7500 home on Sunnyoaks avenue for George Sakamoto and for a $7000 addition at 490 Budd Avenue for T. D. Lyons. Century Company took out permits for 18 new home on Century Drive in Campbell to cost $144,000.

OLD HUNT CANNERY IN LOS GATOS TO BE RAZED

Work is scheduled to begin next week on razing the old Hunt Cannery building in Los Gatos to make way for a shop center there. The entire cannery is to be demolished probably within one month's time according to Frank J. Barrett, San Francisco contractor who is one of five developers of the shop center project.

PROPERTY VALUES ARE UP 10% HERE

Private property valuations increased about ten per cent in Campbell since a year ago, according to figures released by County Assessor Hayden Pitman. Exclusive of utility properties, the valuation increased from $6,278,280 to $6,603,200, the 1954 utility valuation being $663,061 would therefore bring taxable valuations here to $7,276,261.

In the county the new total, which is exclusive of public utilities, is ....620,863,610. This tops last year's figure by $72,036,290 or 13.12 per cent.

From this will be subtracted $52,471,430 in exemptions. To it will be added the utility value, which is compiled by the State Board of Equalization. Pitman estimates that the utility value in this county will be up about 10 per cent providing no major changes are made during a hearing on utility assessments, which opens Monday in Sacramento.

Pitman lists valuation in San Jose at $34,355,890 as compared to $26,886,390 for last year. This is a net figure, with exemptions already subtracted.

Milpitas, which takes in the new Ford plant, showed the biggest percentage increase. It moved from a modest $2,329,620 for 1954 to $11,565,980. The Ford plant is assessed at over 10 million dollars this year, Pitman said.

Assessed valuation of county-assessed tangible properties in Santa Clara County increased 13.2 per cent in the year or $66,291,135 The 1955 valuation is $568,292,180 as compared with $502,101,045 in 1954. The State Asseesed valuation increased 11 per cent from $50,083,940 to $55,633,180.

SARATOGA DOESN'T WANT LABOR CAMP

Action by the County Board of Supervisors on request of about 50 residents of Saratoga on establishment of a labor camp at Saratoga, was deferred for one week. The property owners said the camp was on the Walter Seagraves ranch.

Atty. Wade Hoover, representing the protesting residents, said a loophole in County zoning ordinances is being utilized to construct the camp. Spencer Williams, County Counsel, gave the opinion that the project must come under subdivision regulations.

Seagraves' attorney, Morris Rankin, told the Board his client wanted a solution which would please neighboring residents and thought it could be worked out in a week.

MOTORIST FINED

City Judge John Dempsey of San Jose imposed a series of fines totalling $463 on Herbert Whitaker of 135 E. Casey Road charged with driving with a suspended license and for eleven counts following a chase there Monday night.

90 FOOT WIDE PLAN LINES ON LEIGH AVENUE

Public hearings were held yesterday before the Santa Clara County Planning Commission on proposals from County Board of Supervisors that offical plan lines be set for the San Tomas Aquino Parkway from the city limits of Santa Clara to Camden Avenue, and on Meridian Road from West San Carlos street to Dry Creek Road. Leigh Avenue plan lines call for 90 foot width while San Tomas Boulevard plan lines are 120 foot width.

A hearing on application of St. Francis Cabrini Church to convert existing building into church at southside of Camden avenue between Esther Drive and San Jose-Los Gatos Road was continued.

A petition was read from Peninsula Title Guarantee Company for change of zone to permit residential development on Waldo Road between Old Orchard Road and Winchester Road.

EDITORIAL

TAXING THE ORCHARDIST

If the market value assessment ratio is forced upward in Santa Clara County by action of the State there are apt to be tax increases for the small home owners and orchardists. This is the warning from Hayden Pitman, the County Assessor, who already rides on a merry-go-round with districts of all sorts meshing into each other.

Pitman says the effect will be felt next year, particularly by these two property owner groups, and he is worried about it. He says the State Board of Equalization has attempted to bring the low ratios in nineteen other counties to the State average of 25 percent. The Board of Supervisors has approved Pitman's request that the State submit a list of property samples used to check assessment ratios here. He contends, though, that:

1. The State is in error in holding that Santa Clara County assesses property at only about 25 per cent of its cash value. Pitman puts this ratio at 32 per cent, well above the state average.
2. Statements from the Board of Equalization linking the county assessment problem with utility assessments is unfair and creates a mistaken impression. This may mean a move by the board to reduce utility assessments next year, which are made by the state, while other property assessments are made by the counties.

Pitman is irked mainly because the state has indicated the market assessment ratio on orchards and small homes in Santa Clara County are too low.

The state and Pitman are at odds on how to rate the potential value of agricultural property.

He explains the difference of opinion like this:

"If an orchard is considered likely to become a subdivision in fifteen years, the state believes we should asess it right now as subdivision rather than agricultural land.

"We agree that such a piece of land is of more value than an orchard that is not likely to become a subdivision at all or at least not for, say, 20 to 30 years. But we believe in a more gradual change, in moving the value up as the time of conversion nears. The assessment goes up a little each year. By the time the subdividers are ready to move in the land is assessed as residential property."

Such a method is necessary, Pitman says, to avoid taxing orchardists out of existence.

HAVE WE LEARNED?

The month of August has more than usual historical significance, for it marked the beginning of one great war and the end of another.

On August 1, 1914, World War I began. On August 14, 1945, World War II came to an end.

In 1914 everyone seemed confident that the war would be short. In 1945 everyone seemed confident that the peace would be long. Neither estimate was right.

World War I, which would be "over in a few months," dragged out for more than four years and dragged Europe to exhaustion. The peace which followed V-J Day died almost before it was born.

When the assassination of the Archduke Ferdinand touched off the spark of conflict, the world little realized the violence of the war to come. When the assassination of Hiroshima snuffed out the flame of conflict, the world little realized the violence of the 'peace" to come.

Ten years ago, we mistook victory in war for victory in peace. We had had ample warning that the peace would have to be won. But in our eagerness to get the boys home, to get scarce goods back into production, and to get back to normal, we felt we had nothing to do but to enjoy the peace.

Because we failed to learn our lesson in World War I, we had to fight World War II. And because we didn't fully learn the lesson of World War II, we have had to fight in the Far East.

But there are indications that the hard knocks of "peace" have really sunk in at last. If they have, then the prospects of an eventual genuine peace are stronger.

BOTH ESSENTIAL

Periodically we hear that small business in the United States is losing ground because big business is becoming bigger. From this we would gather that eventually small business will be engulfed by the larger enterprises and will cease to exist.

Actually, this is not a strong possibility nor even a probability. To be sure, there are more large businesses today than there were a half century ago, but there has also been a tremendous increase in the number of small businesses. It is logical that we should have more of both, since the country itself has grown enormously.

No long ago, an economics professor at the Massachusetts Institute of Technology concluded after an exhaustive study that there is less economic concentration now than there was at the turn of the century. He pointed out that nothing to equal the wave of mergers in the late 1890's and the early 1900's has occurred since.

One vast difference between the present situation and that of five decades ago is that ownership of large companies is now almost invariably split up among thousands of stockholders. Big business of the distant yesterdays was dominated by a relatively few owners.

Without big business, America could have never reached the pinnacle of industrial greatness she now enjoys. But neither could she have reached this goal without small business. The fact is big business needs small business and vice versa. Both are essential and both are certain to continue as integral parts of the American economy.

Peninsula Art Exhibit At Fair

For the seventh consecutive year, the Peninsula Art Association will sponsor an exhibition of fine art at the San Mateo County Fair and Floral Fiesta, this year to be held from August 5 through August 13. The art association annually sponsors this art event, which now ranks both in popularity and critical acclaim as the county's top exhibition, at the invitation of the board of the San Mateo County Fair Association.

The exhibition is open to Peninsula Art Association members. From the works submitted a competent jury will select those entries will will be accepted for the Fiesta Art Show.

Serving on this year's jury will be Spencer Macky, former director of the California School of Arts and Crafts, Oakland, Louis Miljarak, teacher at the California School of Arts and Crafts, and John Gutmann, a member of the art faculty of San Francisco State College.

BACK IN 1907 Teddy Roosevelt was in Campbell and planted a redwood tree at Winchester Road and Campbell Avenue, so on Monday evening City Council heard a letter read from a taxpayer that the tree was dying for lack of water, so council began figuring whether or not it was on private property now, and whether it would be within the curb line when Winchester Avenue is widened and if so it would have to be cut down to make way for progress, and someone said the Campbell Water company had at one time put a feed pipe down to nourish its roots but that the mouth of the line seems to have been lost, and on further checking that the existing tree is not the original one planted by T. R. as it already died and was replaced with this one, so if this one has to come out, perhaps we can get President Eisenhower to plant another redwood on the present high school grounds sometime when he is in the west to replace the one so long associated with the name of Teddy Roosevelt.

23-Acre Tract To Be Made Into Industrial Site

Purchase of the Seitz Ranch in Mountain View by the Pine Company, San Francisco commercial and industrial developers, was disclosed this week. Sale price was approximately $120,000.

The 23-acre parcel, all orchard land, is east of El Camino Real and south of San Antonio Road, adjacent to the Palo Alto Co-op Center.

Richard McMoyler, manager of Harry Hoefler's Los Altos office which handled the deal, said the Pine company plans to develop the land for industrial sites. Small portion of the acreage, near El Camino Real, will be used for a trailer park.

SOME suggestions floating around in high places here of late have set me thinking. Seems some economists feel that the nation would be benefitted if we were to bring some of the small farmers into the big cities and teach them how to operate a machine that's already doing the work of three or four people used to do.

This idea smells of some "ism" other than the red, white and blue variety to me. I believe that a guy has the right to dig in the dirt with his hands, sweat from sunup to sundown, fight insects, animals and nature, be happy, and never get rich, without anybody even suggesting he trade his troubles and overalls for a blue work shirt and toil by the clock rather than the sun.

Certainly this idea of "replanting" America's last truly independent operator (the small farmer) isn't going anywhere. Actually, there's no place for transplanting. Industry today is producing far more, with fewer workers than in the past. Ironically, so is the farming group. Seems to me the guys responsible for this bright idea could see that trying to eliminate the small farmer amounts to the same thing as doing away with the small businessman. The idea isn't feasible and, furthermore it won't work.

Trying something new might appeal to a man with an empty stomach, but it holds no attraction for one with food on the table, meat in the smoke house, and an urge to get up, sit down, work or rest as impulses may dictate.

Surely a lot of our small farmers are barely making a living—if you count the cash in their cigar boxes—but the personal value they place on independence is something that cannot be valued, bought, or taken away.

California produced a record number of baby chicks in 1954—a total of 107 million.

Husbands Serve As Chefs At BPWC Barbecue

Gaiety ruled, and all thoughts of a serious nature were barred when the Business and Professional Women's Club held its annual barbecue last Wednesday evening at Clarence and Hannah Berglund's home on Carlyn Avenue. Husbands were invited guests and also served as chefs for steaks barbecued to perfection, a feat for which they modestly demanded loud praise from all wives present.

Head chefs were Clarence Berglund, Larry Soloman, Ted Solari and Robert Curry. Sidewalk superintendents and advisors were Lowell Benson, Ambrose Mirassou, Fred Hill, Ed Brannen and D. W. Bee.

The kitchen committee which turned out gallons of salad, chili beans and "smacks" to complement the steaks consisted of Thelma Solari, Hannah Berglund and Lucille Soloman.

After dinner had been served, the club president, Margaret Leick, asked each husband to say a few unnecessary words.

First to speak was Ambrose Mirassou, owner of Lone Hill Vineyards, who grandly invited everyone to drop in and visit his Rock and Winery at 5:30 any old morning. Lowell Benson explained a new cleaning process that removes clothes from the spots leaving the owner just a ticket; Ed Brannen, an advertising man, asked for publicity and demanded his name always be printed in BOLD FACE TYPE; Clarence Berglund extolled the virtues of his newest acquisition, an electrical fire-lighting gadget which elimnates the usual bushel of paper and half a ton of kindling needed for most barbecues; and Ted Solari, after heckling the previous speakers, announced that as a member of the planning commission he wished to make a political statement, "quote, No comment, unquote".

Informal group singing filled the evening air at the close of the after dinner speeches and the rest of the evening was devoted to playing friendly card games, wives against husbands.

Runs Into Snag

The County Boundary Commission approved Winchester 5 and Maypark 6 for San Jose at the hearing Monday but delayed action on three other filings from there.

San Jose filed a revised map embracing the Almaden Golf Coure so the hearing was continued for another month. No action was taken on Casey No. 1 annex proposed by San Jose because boundary line of an arm reaching out from the city to grab the Almaden land was indefinite.

No action was taken on San Jose's Blackford No. 1 because commission held that it would interfere with maps on file by proposed city of Cupertino. McLaughlin No. 2 annex would conflict with a map filed earlier.

To my Friends
of the CAMPBELL AREA

I WISH TO THANK YOU for your patronage of the RUTHERFORD FUNERAL HOME during its 16 years of operation. As you know, it was terminated when the Campbell High School District purchased the property in June of this year.

I am now assocated wth the WILLOW GLEN MORTUARY, formerly known as the *Chapel of the Psalms,* at 1039 Lincoln Ave.

This is a completely modern mortuary with full facilities to serve your funeral needs and is the nearest San Jose firm to Campbell. Also at no additional charge we will conduct funeral services in any lodge hall or church of your choice.

You may reach me at any time, day or night, by phoning FR 8-3314 or CY 5-4847.

Doris Chapman Weds Navy Man

Miss Doris Chapman, daughter of Mr. and Mrs. Charles Chapman of Campbell, became the bride of William Smith in a double ring ceremony performed last Friday evening in the home of her parents. The Reverend James Warren, of the San Tomas Baptist Church officiated.

William is the son of Mr. and Mrs. M. B. Price of Memphis, Tennessee, and has served 44 months with the U. S. Navy. At the present time he is stationed at Moffett Field.

For her wedding, Doris wore a pink Ballerina-length gown and pinned on an orchid corsage. She was attended by her sister, Miss Lois Chapman, as maid of honor.

Bill Brennard, close friend of the bridegroom, acted as best man.

The newly wed young couple are now making their home in San Jose.

Westhills Service Club Installs New Officers

At an installation luncheon held recently at Live Oak Inn, Mrs. Reese E. Parker, outgoing president of the Westhills Service Club, presented her gavel to the new president, Mrs. Donald Gracier.

New officers seated with Mrs. Gracier are: Vice President, Mrs. Richard H. Drew; Treasurer, Mrs. Hector J. Daves; Recording Secretary, Mrs. Verle O. Grizzle; Corresponding Secretary, Miss Marilyn Toy; Social Chairman, Mrs. Arthur Cowdery; Project Chairman, Mrs. Verlyn F. Fellman; Ways and Means Chairman, Mrs. Harry J. Casterson; Publicity, Miss Alleen Cowdery.

Other members of the Westhills Service Club attending the luncheon were: Mesdames William W. Beyer, Robert W. Boltz, Louis E. Brandon, George B. Kemp, Donald E. Lantz, Phillip V. Luoto, Thayer B. Lyons, George W. Miller, Rene J. Montrezza, Robert Swan, Ford L. Whitney, Alan York and Betty Everett.

Campbell Register

Mr. and Mrs. Charles E. Bradley and children Bonnie and Bruce, of Ravenwood Drive, and Mrs. Bradley's father, Charles Payne, who retired as County Recorder last year, have all returned home refreshed after a two week vacation at Buck's Lake in Plumas County. Bradley, who is business administrator for the Campbell Elementary School District, says the whole family had a wonderful time loafing and acquiring nice tans. Wife Ruth kept house in a cabin 300 feet from the lake shore and the group did a lot of swimming, boating and fishing, with Bradley catching quite a few 19 inch trout.

Mr. and Mrs. Henry Young of Budd Avenue will fly to Salisbury, New Brunswick, Canada, tomorrow. Salisbury is Mrs. Young's hometown and she and Mr. Young will spend six weeks there visiting relatives and friends. The Youngs made their last visit there twenty-five years ago when they drove through in their car. This trip will mark Mr. Young's first flight on an airplane and Mrs. Young's second.

Captain and Mrs. W. R. Johnson and children, Patty, Billy and James, were visitors at the home of Captain Johnson's grandparents, Mr. and Mrs. E. E. Frey of 101 N. Second Street. The Johnsons have just returned from Germany where the Captain was stationed for the past three years, and are now on their way to a new assignment in Florida.

Mr. and Mrs. Robert Wurfer of 1022 York have returned from a two month vacation trip to the East coast. They made the trip by train and said they just missed the big tornado in Kansas and were delayed one hour while tracks were cleared. The most outstanding impression they have of the East is that it is not as progressive as the West, and that building in many places is practically at a standstill. In New Jersey they had a nice visit with their daughter, son-in-law and three children, and in New York visited the home of their son, his wife and two children.

Mr. and Mrs. Walter E. Krohn were overnight guests Friday of Mrs. Edna F. Smith of North Second Street, Mrs. Krohn's mother. The Krohns were on their way for a week's vacation at Santa Barbara and vicinity. On their return they will spend the remainder of their vacation at Monte Rio ond the Russian River.

Mr. and Mrs. Charles A. Bradley of 50 E. Foote Street, are leaving Wednesday, August 3rd, for a five week trip to Wichita, Chicago, and New York. They will drive their car to Wichita and make the remainder of their journey from there by train. In Wichita Mr. Bradley's sister and husband, the Kailirs, will join them and make the trip to Chicago and New York with them.

POLICE OFFICER WASTES NO TIME CATCHING FORGER

A nice bit of sleuthing by Officer Darrell Rachford last Friday afternoon ended with a young mother of an 18 month old baby confined in county jail for check forgery only a few hours after he had obtained her description.

Mrs. Fred Aspesi of 13715 Quito Road, told police at 11 o'clock Friday morning that Barbara Baker, whom she had formerly employed as cot cutter, had written and cashed three checks totaling $105 on her bank account. The checks had been cashed at Nelson Grain Company, Parker Liquor Store, and J & A Food Mart. Mrs. Aspesi said she did not know the young woman's address and could only furnish a description of her.

After obtaining the description, Rachford started out on foot down Campbell Avenue looking for his suspect, and, at 2 o'clock, marched his prisoner into headquarters where she admitted guilt.

Mrs. Baker who is 18, lives at 118 Dillon Avenue, said she did not know the whereabouts of her husband. Her young daughter has been placed in a receiving home for the time being.

She is to be arraigned in Judge Crawford's court Tuesday afternoon on a count of forgery.

Final Rites For A. Hendrickson

August Hendrickson, 76, who was builder in Oakland for 40 years before retiring to Campbell five years ago, died Thursday at his home, 245 N. Central Ave., after a long illness.

Final rites were held Saturday in the Darling-Fischer and Krug Memorial Chapel of Campbell, with interment in Santa Clara City Cemetery.

He is survived by his wife, Senia, a son, Edwin of San Mateo; and two daughters, Mrs. Ruth Fowler of Sunnyvale, and Mrs. Irene Antons of Lafayette.

BURBANK WINS CRUCIAL GAME FROM CAMPBELL

The Campbell Little League All-Stars were league finalists but dropped a crucial 1-0 game at Palo Alto Monday afternoon to Burbank even though John Ezzie hurled a no-hit game, fanned 17 batters while yielding one intentional walk and hitting one batter. Pat Cavatio, husky hurler for Burbank's nine allowed two hits, one a double by Ezzie, and he struck out 14.

The win for Burbank was a fluke as Tony DiCenzo chased down a bunted ball and overthrew first base allowing Boitano to reach second base.

Boitano took third on a passed ball as Marv Kidwiler struck out and scored on a wild pitch as Armando Quesada was batting. Boitano just barely slid in ahead of the throw from DiCenzo to Ezzie.

The only real hit of the game was a double off the right field fence in the third by Ezzie. Randy Willoughby got the game's other tally on a ball that bounced through shortstop Kidwiler.

Campbell's biggest scoring threat came in the first inning when two walks and a hit batter filled the sacks with two away. but Cavataio fanned the key man to retire the side and was never in serious trouble thereafter and finished strong by whiffing Campbell's last seven hitters.

The Campbell team had played four games in six days, being forced to replay the game won last Thursday against Santa Clara when two players were held ineligible to play for not having had birth certificates filed with league officials. Later these were filed and officials ruled the game would have to be replayed.

David Hill hurling for Campbell pitched no-hit, no-run ball and Campbell won 5-0. On Saturday Campbell won over Willow Glen to enter the finals.

Burbank won again Tuesday 9-2 over Palo Alto Forty-Niners winning right to go to Tulare. Campbell took third place with an easy 10-3 win over Los Altos American Leaguers. Ray Papa slammed a homer over centerfield scoreboard to spark the game.

Louis Pellier, a Frenchman, introduced the French prune to California in 1856-7.

The total national production of cantaloupes in 1954 was 1,322 million pounds.

FREEWAY BY-PASS ABOUT HALF DONE

Construction of the freeway bypass of Los Gatos is about forty percent completed it was announced today by B. W. Booker. Asst. State Highway Engineer. The work is being handled under two contracts, one for the Main Street Bridge and the other for road work on the 2.4 mile freeway unit. The entire project is expected to be completed next January at a cost of approximately $1,700,000. Meanwhile, plans are being prepared and right of way is being acquired for additional freeway units on this route between Los Gatos and San Jose.

Work is also in progress on plans for the widening of a four mile section of Sign Route 9 between Sunnyvale and Cupertino. It is proposed to construct shoulders along the existing narrow roadway as an interim measure to provide temporary relief until major improvement can be undertaken.

Work is progressing on widening Mathilda Avenue between El Camino Real and Beemer Avenue in Sunnyvale, following completion of utilty relocaton. This improvement, .8 mile in length, is expected to be completed in October at a cost of $132,000.

Following the recent adoption of a new route for a portion of State Sign Route 9 in the Alviso area, work has been under way on surveys and plans for construction of portions of this route on the new location which will provide a more direct alignment and relieve inconvenience to traffic which results from flooding on this section during high tides.

Plans have been completed and bids will soon be called for construction of a section of Bayshore Freeway in San Jose from Santa Clara Street to the Oakland Highway. The amount of $1,686,000 has been budgeted to finance this 1.6 mile project. Work is also in progress on preparation of plans for additional units along the remaining 15 miles of the original Bayshore Highway in Santa Clara.

A total of $40,000 has been allocated for improving drainage between White Road and Silver Creek on Alum Rock Road east of San Jose. One project west of Silver Creek is under way with participation by the State, City of San Jose and Santa Clara County, and the County is completing plans for a second project.

Route studies have been completed for a future freeway on US 101 from Ford Road south of San Jose to south of Gilroy. Tentative conclusions have been presented at public meetings held in San Jose, Morgan Hill and Gilroy as the initial step in the determination for the establishment of a location of the facility.

Plans and specifications are being prepared for the signalization of additional intersections in Santa Clara County. These include San Martin on US 101, El Monte Avenue and El Camino Real in Mountain View and Saratoga and Santa Cruz Avenues in Los Gatos.

MOTORIST HURT AS TRUCK HITS CAR

Mrs. Irene Strong sustained slight bruises Monday noon when a truck struck the left rear door of the car she was driving at Scott and Clifton streets in San Jose. She was cited for driving between 25 and 30 miles per hour in a 25-mile intersection where the speed limit zone is 15 miles per hour. The impact threw Dennis, her four year old son from the car but fortunately he was not injured.

Vince Vallelunga Is New Owner Of Maderis Market

LaVerne and Vincent Vallelunga, new owners and operators of the Maderis Food Market at 10 E Campbell Avenue who are planning a number of store improvements, Mr. Vallelunga was formerly in charge of the meat department in the store.

Maderis Food Center, under the new ownership and management of Vince Vallelunga, is scheduled for a complete remodeling and redecorating job in a week or two. Vince, who has operated the meat department at Maderis' since its opening in 1946, and his wife LeVerne, bought the store from Bill Maderis and took over its operation Monday. They will continue operating the store under the name Maderis.

The meat department will undergo one of the biggest changes. Vince is planning on extending the floor space another 15 feet to the rear and replacing the present self-service with a huge display meat counter across the full width of the store with himself and two or possibly three other butchers in attendance to cut meat to the customers order. The self-service counter will hold a full line of delicatessen items and cold meats only.

The Vallelungas say their policy is to please the customers first of all, and with this in mind they have inaugurated a free grocery delivery service. This new delivery service should prove to be a boon to many housewives who cannot carry many groceries when they walk to the store, or come in a car with neighbors.

Another major change will take place in the appearance of the building. A brick facing will replace the present stucco front and there will be two entrances on Campbell Avenue instead of the present one. When finished the interior will be given a complete redecorating job.

The Vallelungas live at 661 N. Harrison and have lived in Campbell for about 12 years. They have three children, two girls and a boy, Gale Yvon, 7, and Vincent Jr. 3. Mrs Vallelunga has been an active participant in affairs of the Hamilton School, and now plans on helping her husband in the store.

Housewives will be happy to know Ray "Del" Einberger who was head of the Maderis produce department for five years before taking other emploment about a year ago, is now back on the job here.

Besides Vince and his wife LaVerne, other personnel includes Danny Goodell, who has been with the store eight or nine years; Al Lupton, who has been there about three years; a new butcher, Frank Oliver; his helper Evelyn Shumway, who has been with Vince seven years; and Ed Faulkner, general all round helper.

Saratoga, in Santa Clara County, was one of the State's pioneer lumbering settlements.

SERVICE NOTES

Howard F. Peck, boilerman first class, USN, son of Mr. and Mrs. Roy Peck of 731 Harrison st., Campbell, Calif., and husband of the former Miss Johanna M. Wirtshaft of Linden, N. J., reenlisted in the Navy in June while serving aboard the seaplane tender USS Currituck.

He entered the service in January 1942.

Pvt. Doyle L. Wells, son of Mrs. Mabel M. Fries of 100 Kennedy Avenue, is taking basic combat training with the newly activated 3rd Armored Division at Fort Knox, Ky. After his basic training he may go in for specialist training.

Pvt. Charles A. Johnston, 18, son of Aubrey E. Johnston 13561 Quito rd., Saratoga, recently was graduated from The Infantry School's airborne course at Fort Benning, Ga.

The course trains volunteer officers and enlisted men of the Army to be qualified parachutists. Students are required to make five jumps.

Johnston, at 1954 graduate of Los Gatos High School, entered the Army last January and completed basic training at Fort Leonard Wood, Mo.

Suspense Drama At The Summer Circle Theater

Summer Circle opens its second production of the 1955 season Friday, August 5, with a mystery melodrama "Ladies in Retirement". Playing at the Hotel Lyndon in Los Gatos, the Summer Stock Company presents unique theater by producing plays in the round.

"Ladies in Retirement" is described as a chilling drama of suspense which tells a story of a desperate, strong-willed woman who is determined to find a means, fair or foul, to provide a home for her two "odd" elderly sisters. How she achieves this end is worked out by playwrights Edward Percy and Reginald Denham. The production is directed by Margaret Douglas Chamberlin, and plays every Friday and Saturday night during August.

The cast includes Muriel Rice, Pat Beaudrey, Mary Jepp, Margaret Chamberlin, Bernice Carey, Fred Engelberg and Gale Anderson.

Tickets may be reserved by calling Porch Window at the Lyndon Hotel, El 4-2315, or purchased in the lobby before each performance. Curtain time is 8:30 p. m.

County Tax Rate May Be Lowered

That the property tax rate in Santa Clara County may be cut was the hint given Monday to County Supervisors by County Comptroller John Francisco who said the budget will total $30,781,-277.

Property taxes affecting the entire county—incorporated and unincorporated areas— must be levied to raise $11,211,382 of this. Those areas making use of County Library facilities must raise an additional $121,459.

"I think we can promise a favorable tax rate based on this budget," said County Executive Frank H. Thill.

State Board of Equalization yesterday announced that utilities in the county have a taxable valuattion of $55,633,180, an increase of $5,549,240 over last year.

PAPERS GROWING ON WEST COAST

The newspaper industry of the 11 Western States should continue to grow for the next seven years, according to a study made by the Stanford Research Institute for the California Newspaper Publishers Association.

Increases in circulation and advertising lineage are forecast on the basis of a predicted population increase of 4.2 million between 1954 and 1961 and a continuing high level of income.

The survey indicated that anticipated income in the far Western States from 36.5 billion dollars in 1954 to 43.7 billion dollars in 1961 is closely correlated to newspaper revenues.

The study was prepared for the Association in order to estimate newsprint requirements for the Western region in future years.

Researchers concluded that Western Canada and American mill production will exceed demands until 1960 but by 1961 mill production will be behind purchases, unless producers expand output more than currently planned.

LEGAL NOTICE

RESOLUTION OF INTENTION TO ANNEX CONTIGUOUS TERRITORY TO COUNTY SANITATION DISTRICT NO. 4 OF SANTA CLARA COUNTY, AND PROVIDING FOR NOTICE OF TIME AND PLACE OF HEARING THEREON.

WHEREAS, there has heretofore been filed with the Board of Supervisors of Santa Clara County a petition requesting this Board to annex to County Sanitation District No. 4 of Santa Clara County certain additional territory described in said petition, and which said territory is more partcularly hereinbelow described; and

WHEREAS, it appearing to this Board that said particularly described territory is not within the boundaries of any other County Sanitation District or any other district formed for similar purposes, and it further appearing to this Board that said contiguous territory will be benefited by virtue of its annexation to said County Sanitation District No. 4,

NOW, THEREFORE, IT IS HEREBY RESOLVED that Monday, the 15th day of August, 1955, at the hour of 11:00 o'clock A. M. of said day, at the chambers of the Board of Supervisors of the County of Santa Clara, in the Civic Center Building, North First and Rosa Streets, in the City of San Jose, State of California, is hereby fixed as the time when and the place where this Board will hear and consider the matter of the annexation of said contiguous territory to County Sanitation District No. 4 of Santa Clara County, and at which time and place any and all persons interested in said matter may appear and be heard and show cause, if any they have, why such territory should not be annexed to said district.

That the territory hereinabove referred to is that certain real property situate in the County of Santa Clara, State of California, and more particularly described as follows, to-wit:

'All that certain parcel of land situate in the County of Santa Clara, State of California, described as follows:

Beginning at a point in the southerly line of Harriman Avenue, distant thereon S. 89° 15' 30" E. 271.00 feet from the northwesterly corner of that certain 8.350 acre tract of land described in the Deed from Walter R. Worden, et ux, to Elliott S. Miner, et ux, dated February 28, 1940 and recorded March 9, 1940 in Book 976 of Official Records, page 180, Santa Clara County Records; running thence along said southerly line of Herriman Avenue, westerly to the northwesterly corner of said 8.350 acre parcel; running thence along the westerly line of said 8.350 acre parcel southerly to the southwest corner thereof in the center of the Campbell or Quito Creek, said center of the Campbell or Quito Creek being also, in the boundary line of County Sanitation District No. 4 of Santa Clara County; running thence along said Boundary line and along the center line of the Campbell or Quito Creek, northeasterly to the point of intersection thereof with the Westerly line of that certain 2.061 acre tract of land described in the Deed from Oleta A. Ewald to Richard J. Hopkins, dated January 18, 1954 and recorded January 27, 1954 in Book 2801 of Official Records, at page 647, Santa Clara County Records; thence leaving said Boundary line and running thence northwesterly along said westerly line of the 2.061 acre tract to the point of intersection thereof with a line that is parallel with and distant S. 2° 08' W, 264.00 feet from said southerly line of Herriman Avenue; thence running along said parallel Westerly to a point therein from which the point of beginning bears N. 2° 08' E. thence running N. 2°08' E. to the point of beginning, and being a portion of the Quito Rancho.

AND BE IT FURTHER RESOLVED that notice of the time and place of said hearing be given by publishing a copy of this Resolution and Notice once a week for two (2) successive weeks in the CAMPBELL PRESS, a newspaper of general circulation in said County Sanitation District No. 4 and in the territory proposed to be annexed to said district.

SARATOGA PREPARING FOR LEADERSHIP MEET HEBREW YOUTH GROUP

More than 125 college and high school students from cities throughout the United States will convene at Saratoga, Aug. 9-21 for the eighth annual Camp Leadership Institute sponsored by the National Federation of Temple Youth, an affiliate of the Union of American Hebrew Congregations.

Theme of the institute is "I, the Prayer Book, Speak for Judaism", with seminars and informal study classes scheduled to cover the subject. In addition to the religious and educational programming of the session, campers will also have time to enjoy the swimming, horseback riding, tennis, campfires and other recreational facilities of the beautiful 203-acre former estate of writer Kathleen Norris.

Members of the visiting faculty during the Camp Leadership Institute will include Dr. Abraham N. Franzblau, Dean of the School of Education at Hebrew Union College—Jewish Institute of Religion in New York; Dr. Rose Franzblau, psychologist and writer on human relations; Rabbi Balfour Brickner, Washington, D. C.; Rabbi Irwin Herman, Scranton, Pa.; Rabbi Alfred Friedlander, Ft. Smith, Ark.; Rabbis Morton C. Fierman and Albert Plotkin of Phoenix, Ariz., and Rabbi Maurice Bloom of Newburgh, N. Y.

Others serving on the faculty will be Rabbi Samuel Cook of the New York National Youth Activities Director for the Union of American Hebrew Congregations; Eleanor Schwartz, his assistant; Louis Freehof, Vice-President of the National Association of Temple Secretaries; Florence Freehof, dance consultant, and Rabbi Wolli Kaelter, Director of the Camp for Living Judaism.

Most of the college and high school students attending the institute will travel via bus from their respective cities. All of the campers were chosen by their congregations among the 500 Reform temples affiliated with the Union of American Hebrew Congregations.

$68 Per Ton Is Paid For Pears

Canners have accepted the growers' price of $68 a ton for Bartlett and Hardy pears in the Santa Clara district, according to Cameron Girton, manager of the California Pear association.

Santa Clara district is composed of Santa Clara, Alameda, San Benito and Santa Cruz counties.

Girton explained that the price is the same as last year. He said last year's district differentials in other parts of the state will prevail this year.

The Santa Clara district crop consists of about 65,000 tons of Bartlett and 18,000 tons of Hardy pears. Last year's crop from the coast consisted of 475,000 tons. It will be 492,000 tons this year.

Registration Open For Church School

The Congregational Church will observe communion next Sunday, August 7. at the 10:00 a. m. service. Registration signup will be open for vacation Church School and anyone interested can contact Mary Hummel at FR 8-4666. The school will be in session daily, Monday through Friday, from August 29 to September 9. Several more teachers are needed and Del Hollenberg asks that interested persons contact him at the church.

Sister To Get $15,000 Share Of Estate Here

A partial distribution of the $50,000 estate of May B. Crawford who died in Campbell on December 9 was authorized by Superior Judge John D. Foley who ruled that her sister, Pauline Armstrong of San Jose is to have $15,000 now. The estate is being probated in court.

Mrs. Crawford's will provides that if Mrs. Armstrong should die before the estate is probated, her share would be divided between Ray M. McCawley, Dolores McCawley and James deNapoli.

When the estate was appraised, Mrs. Armstrong's share was estimated at $18,475, and Atty. Douglas said it has increased in value since then. But Judge Foley withheld some of it pending determination of the expenses of administration of the estate.

Mrs. Crawford's will left $1,500 to Boy's Town, Neb.; $1,000 to the Society for Crippled Children and Adults, and the remainder in two equal shares to Mrs. Armstrong and a sister-in-law, Edith Noyes Reed of Monterey.

Gilroy Sets Price For Prune Picking

Members of the Gilroy Farm Bureau center proposed to pay prune pickers $9 a ton for Sugar and Imperial prunes, and $10 a ton for French prunes. The group reached their decision at a regular monthly meeting held Monday evening, July 25, at the Live Oak Union high school auditorium.

The price is the same as last year which is equivalent approximately to a half-cent a pound.

SAN JOSE LOSES VOTE TO ANNEX

By a vote of 54-46 last Thursday, residents of South Willow Glen area turned thumbs down on proposed annexation to the City of San Jose. Only 29 of the qualified voters failed to go to the polls.

The 50-acre site that San Jose wanted is bounded by Curtner, Booksin and Dry Creek Road.

Ice Follies Now In Seventh Week At Winterland

Good seats for all Ice Follies performances are available, but it is advisable to get reservations in early, according to George Campbell, general manager of Winterland in San Francisco where the Shipstads and Johnson skating show is being staged.

The Ice Follies of 1955 is now in the sixth week of its annual Northern California run, according to Campbell. Performances are Tuesdays through Sundays at the Winterland auditorium, Post and Steiner streets.

"We know from experience that families are wise to get ticket orders in now," he said. "The best seats go to those who make reservations well ahead of time."

Campbell suggests ordering tickets by mail or telephone to avoid last-minute disappointments.

Reviews and comments on the current Shipstads and Johnson extravaganza show it to be the finest of all 19 they have produced, he continued. "The show simply cannot be beat for family entertainment."

Heading the production are both old favorites and new stars:

Debonair Richard Dwyer and his petite partner Georgiana Sutton, the irrepressible Mr. Frick, Florence Rae, Crimmins and Norris and the hilarious Sad Sacks are among the performers familiar to Northern Californians from previous years.

New acts for the 1955 Ice Follies include the Australian-born acrobatic team, the Kermond brothers, as well as championship skater Frances Dorsey, and San Francisco's own father and son team, the Henry's.

Ice Follies tickets are priced to fit any pocketbook and range from $1.50 to $3.60. Regular evening performances are held Tuesdays through Saturdays at 8:30 p. m. Additional weekend performances are held 2:30 Saturday afternoon and Sunday at 1:30 and 5:30 p. m. as a special convenience for out-of-towners.

Billy Jones Train Ride This Sunday For Cub Pack 72

Cub Pack 72 is featuring a Billy Jones train ride Sunday afternoon, from 1 to 5. Trackage of the miniature train has all been improved by volunteer railroad men while Billy Jones was on duty at Disneyland.

The ride Sunday is to benefit Troop 72 which is sponsored by Cambrian Park Kiwanis Club. The committee on train activities from the Kiwanis Club includes Roy Bailey, Lloyd Neville and Lin Maltbee. The train runs around the Jones estate at Daves avenue and Winchester Road, for the enjoyment of children as a hobby by the owner, with voluntary donations going entirely to the sponsoring organization.

Orthodontist Opens New Office Here

An orthodontist, Dr. Wayne M. Hopp, specializing exclusively in straightening irregular teeth, will open an office August 15 in the new Medical-Dental Building located on East Campbell Avenue at Los Gatos Creek.

Dr. Hopp and family came to California two months ago from Iowa City, Iowa, his home town. He is a graduate of Iowa State University with degrees of B. A., M. S. and D. D. S., and former teacher in the University's School of Dentistry. He served four years in the Navy, with six months of this time in the Orient.

Dr. Hopp and his wife, Emma, are delighted with the Santa Clara valley and have bought a home at 16237 Roseleaf Lane, Los Gatos, in the Blossom Hill area. They have three children, Nancy, 7, Wayne Jr., 3, and Katheryn, 1.

Christ Lutheran Church Starting In Cambrian Park

The Rev. Donald L. Albert, recently ordained at San Bernardino has been called to Cambrian Park to establish the Christ Lutheran Church. He has served as minister at churches in Nebraska, while awaiting this assignment.

Worship services were started last Sunday at the home of the Sven Nelsons, 15425 Chelsea Drive and will be continued each Sunday morning at 10 o'clock until a church building can be established. The temporary council for Christ Lutheran Church of Cambrian Park are Sven Olson, Ernest Anderson, Bernie Dale and Mrs. Charles Cardona.

San Jose de Guadalupe was the first pueblo or "city" in California, founded Nov. 29, 1777 by colonists who migrated from Sonora, Mexico.

The first religious service in the England language on the Pacific Coast is commemorated by Prayer Book Cross, in San Francisco's Golden Gate Park.

Santa Barbara Mission at Santa Barbara was founded Dec. 4, 1786, tenth Franciscan mission in Upper California.

Here are some of the girls who are to represent Campbell Saturday in the swim meet sponsored jointly by Campbell Kiwanis Club and Recreation department in which 225 youngsters from 24 bay area clubs are to compete under AAU regulations. Left to right they are Judy Nolte, Marilyn Means, Janie Nolte, Kathy Plat,Phyllis Maxfield and Janet Barnett.

GOLF PRO TALKS AT KIWANIS MEET

Golfing and swimming were the topics at the Kiwanis Club meeting Tuesday noon as Leonard Scroggins, high school swim coach told of the AAU swim meet to be held in Campbell Saturday and Sunday after which George Bruno, pro at the new Almaden Golf Course told of highlights in the National open, recently in San Francisco.

Scroggins said there are now 680 entries from a total of 250 youngsters from 24 clubs of Central California, some of the participants already being national champions. He said Campbell's own Steve Skold will be going after the 200 and the 100 free style national record this Sunday here.

The Kiwanis Club is offering trophies for the team, the boy and girl winning the most points. Medals are to be provided by the Recreational Department.

Bruno said the Almaden golf course is destined to be one of the best in California, as it is to be made suited to tournament play. A swim pool is to be added there next year. He said that in big time tournament play, only a few names are in the final stretch, and that it is a fluke that an outsider wins over one of the seasoned players such as happened when John Flack defeated Ben Hogan.

Program chairman was Ted Stivers who with Sam Reed had just been given membership pins. Visitors included Ivor Torgenson of San Jose, Dave Lingle, Raymond Fisher and Gifford Sobey of Los Gatos, Chester Rogers, Ray Anderson and Pastor Johnson of Willow Glen.

Dave Lingle announced Kids Day at Moffett Field September 24 with some 1500 youngsters to be brought from communities served by Kiwanis Clubs of the 16th district.

Operetta 'Pinafore' Is Well Received By Music Students

A bonus trip to San Francisco to see the Gilbert and Sullivan operetta "Pinafore" was the reward given 111 summer music students last Sunday by the Campbell High School District Recreation Program. Free busses and drivers were provided by Ken Robison, director of the District Program.

Sunday morning the group assembled at the high school with lunch boxes in hand and packed into two large buses along with their instructors. Arriving in San Francisco they drove to Sigmund Stern Grove in Golden Gate Park where they found seats in the beautiful outdoor amphitheater and ate their lunch before the performance began.

The students had been given a briefing on the story behind the operetta before making thetrip, and were familiar with parts of the music, but Ed Tonini, head of the summer music school, said he was amazed and gratified at the response and comments the children made during and after the program. All thoroughly enjoyed the performance.

The free concerts are held every Sunday in the park. The program includes a wide variety of music: operas like "Carman" and "La Bohomme", operettas like "Babes in Toyland" and "Pinafore", and semi-classical and classical concerts. The San Francisco Recreation and Park Commission sponsor these free concerts for the public.

Sunday's performance of "Pinafore" was produced by the Berkeley Opera Company and "The Lamplighters".

On August 11, the summer music students will give a concert of their own in the Campbell High School Auditorium at 7:30 p.m. to which the public is invited. Every child enrolled in the music course, from beginner through intermediate and advanced, will participate in the program which will mark the end of the summer study.

Accompanying the students on their San Francisco jaunt were Mr. and Mrs. Anthony Rapisarda, Mr. and Mrs. Ed Tonini, Misses Shirley Courtney and Marian Gould, all instructors; and parents, Mesdames Hann, Caputo and Quinsland.

CAMPBELL REGISTER

Mrs. Dorothy Royce, principal of the Campbell Grammar School and friends, Mrs. Frances Cousins, Mrs. Doris Hubbard, Mrs. Jessie Boyrie, are home again after a three week motor trip through Canada. They visited Lake Louise, Banff, and Jasper, then returned by way of Victoria. Mrs. Royce says the Canadian scenery is breath-takingly beautiful and she took many colored pictures of the mountains, lakes and glaciers.

Mr. and Mrs. Joseph Leick, of 718 Pollard Road, are the proud parents of a new baby boy who arrived July 27 at O'Connor hospital. The new boy has been named David Joseph. Equally proud is Mrs. Margaret Leick, secretary of Sanitation District No. 4, who says she is "absolutely thrilled" over the arrival of her first grandchild.

Joining the Navy in July from Campbell were Doyle LeRoy Wheeler, Franklin Douglas Ford, and Roy Nelson Ford.

With the opening of the 21st Annual San Mateo County Fair and Floral Fiesta tomorrow at San Mateo, Publisher Lester Lafferty is joining the staff there for the eight day run this being the sixth year as public relations official. Entertainment features include the Mills Brothers and the Hoosier Hot Shots in the Fiesta Bowl, but main attraction is always the display of flowers and gardens.

LOS GATOS TO HAVE LITTLE LEAGUE PARK

Little League Baseball for boys 8 to 12 is certain to start next Summer in Los Gatos with the building of a ball park for this purpose on Daves Avenue according to action taken Monday by the Los Gatos Union Elementary School directorate. It will be patterned after the Campbell Little League Park with turf, bleachers, fences and a dugout, with no fence to be built between the field and the school.

Budget To Be Set For Red Feather

Red Feather agency budget conferences, under way for the last two and a half weeks, were scheduled to be completed today following a series of conferences with representatives of the 27 Red Feather youth, health and welfare agencies which will draw support from the Community Chest in 1956. Included among the 27 Chest services are the Campbell Library Fund, the Campbell Milk Fund and other Red Feather agencies which have been serving the Campbell area.

The agency budgets are being reviewed line by line, according to Everett D. Myers, Council budget chairman.

Campbell is represented on the Council budget committee by Mrs. Howard C. Payne and Edward F. Tablak.

When reviews are completed, the Council budget committee will present recommendations to the Council board of directors for allocations of Community Chest funds to Red Feather youth, health and welfare agencies in 1956.

The goal of the 1955-56 Red Feather Campaign will be set by the board of directors of Community Welfare Council after hearing the recommendations of the budget committee.
